Chibi Miku-san

Comic

ちびミク

Hey there,

Maybel8ter here! I am back with another upload of Chibi Miku-san, and a better cover page (Not that it matters that much) I'll upload more when I have more spare time, can't give a schedule but it will probably be frequent

Thanks for reading!

Or rather it was an unpopular character
When first re-aspect it was heavily criticized
However after growing in popularity
I became a huge character
Today we will analyse it's popularity growth
This thing we are not sure what it is
なんかよくわかんない!!

It is gained popularity among young girls
Is in love with it's unique ethereal fineness
It is so hot right now, widely sold out
And now they are releasing
A new negi doll version
ネギ
買う!
ネギ人気!
